## Better Foods==Better Homes

On account of the many inquiries regarding the  
recipes used by Mrs. Vaughn at the Capital Journal Home  
Economics School this week, arrangements have been  
made to supply without charge to out-of-town subscribers and  
others who have been unable to attend, the recipe leaflet  
distributed. Simply send request with your name and ad-  
dress to the Capital Journal is all that is necessary.

(Continued from Page Six.)

shall in the ordinary line. The seat-  
ing capacity of the hall was taxed to  
its limit with the many women who re-  
membered Mrs. Vaughn's previous  
school here and who felt that another  
opportunity to hear her lecture and to  
study cooking under her instruction is  
one not to be missed. The audience is  
made up of representative women of  
the city and on the platform amid dis-  
tinctly domestic surroundings, the  
popular lecturer is discussing the first  
meal of the day, emphasizing the need  
for a good breakfast and prepared some  
most tempting breakfast dishes.

Although Mrs. Vaughn has spent a  
strenuous morning getting everything  
in readiness for the opening of the Cap-  
ital Journal Better Foods Better  
Homes school, she is alert and seem-  
ingly unwearied. One of the secrets  
she imparts to the women who attend  
her classes from day to day, is how to  
get a great deal done without undue  
fatigue. In her informal talks she  
speaks helpfully on home conditions in  
America and urges the women who  
hear her to devote their best energies  
to making their own little homes the  
best, finest influence their families can  
know. She claims that the girl who  
is willing to go into housekeeping with-  
out being prepared is the one who de-  
grades housekeeping. This girl makes  
the sort of mother whose children had  
better not be born and is the wife of  
"the man who becomes dissatisfied, so-  
cialistic and ends in the almshouse."  
"Our country is not relying upon its  
armies, or its navies, but upon mothers,  
to keep the peace."

Tomorrow afternoon's lecture on  
"The Cost of Living" will interest  
every intelligent housewife. In all of  
Mrs. Vaughn's work this season she  
pays particular attention to the cost  
of the foods prepared. Mrs. Vaughn  
suggests a list of questions for the  
members of her classes to consider be-  
fore attending her school tomorrow  
afternoon and see if their ideas con-  
cincide with hers.

1. What do I know of the home econ-  
omics movement?
  2. What is meant by housekeeping,  
and homemaking?
  3. What do we know about the rela-  
tion of expenditures of our income and  
efficiency and culture?
  4. What must I know of food, tex-  
tures, shelter and incidentals that con-  
sume my income?
  5. What must I know of food, cloth-  
ing, cleanliness and recreation in or-  
der to keep my family well, strong and  
happy?
  6. Can housekeeping be a successful  
business venture?
- Mrs. Vaughn has compiled a very  
complete list of books on the subjects  
considered in her home economics  
course and these will be published  
from day to day in the Capital Journal.
- As announced by Mrs. Vaughn, the  
recipes for omelet, cocoa and cream  
ice cream demonstrated by her today at the  
Capital Journal Better Foods Better  
Homes school, are given below to-  
gether with some other interesting recipes  
submitted by her.

### MONDAY

#### Omelet

4 eggs, 1-2 teaspoonful salt, 1-16  
teaspoonful pepper, pinch of paprika, 4  
tablespoonfuls hot water or milk, 1-4  
teaspoonful cream tartar, 1-2 tea-  
spoonfuls crisco.

Separate eggs and beat yolks; add  
salt, pepper, paprika and gradually  
water or milk (water makes tender  
omelet). Beat whites until dry and stiff.  
Add cream of tartar and cut into the  
yolk mixture. Heat and brush with  
crisco the omelet pan and pour in the  
mixture. Place on range where it will  
cook slowly and evenly. When well  
puffed and delicately browned under-  
neath, place omelet in center grate of  
oven to cook on top. When firm to  
touch, omelet is cooked. Fold and  
turn on hot platter. Garnish with  
sprigs of parsley.

### Cocoa

1 quart milk, 4 tablespoonfuls pre-  
pared cocoa, 4 tablespoonfuls sugar, 1  
cupful boiling water.  
Scald milk, mix the cocoa and sug-  
ar, add enough of the hot water to  
form a thin paste. Add the remain-  
der of the water and boil one minute.  
Pour into the scalded milk and beat  
with an egg beater two minutes.

### White Cake

3 cupfuls flour, 3 teaspoonfuls bak-  
ing powder, 1 teaspoonful salt, 1-2 cup-  
ful crisco, 1-2 cupfuls very fine sug-  
ar, 1-2 cupful strained orange juice, 1  
tablespoonful grated orange rind, 1-2  
cupful cold water, 1 teaspoonful orange  
extract, 3 egg whites.  
Sift flour, baking powder and salt  
four times. Cream crisco and sugar,  
add orange juice and rind and alter-  
nate water and dry ingredients. Add  
extract. Lastly fold in whites of eggs.  
Bake in layer tin in oven 350 to 400  
degrees, twenty five minutes.

### Cream Icing

1-2 cupful sweet whipping cream—  
beat into this confectioner's sugar un-  
til it is a stiff paste, place bowl con-  
taining this paste over steam and stir  
until same melts, remove to table and  
flavor with Burnett's vanilla. Beat  
for few seconds and pour over cake.  
Cocoa in desired quantity may be ad-  
ded. Nuts or shredded cocoanut may  
also be added.

If whipping cream is not available,  
plain coffee cream may be used and  
then one tablespoonful of crisco and  
one-fourth teaspoonful salt added.

### Lemon Queens

7 tablespoonfuls crisco, 1 cupful sug-  
ar, 4 eggs, 1 lemon, 1-4 cupfuls flour,  
1-4 teaspoonful soda, 1 teaspoonful bak-  
ing powder.

Cream crisco and sugar. Add beaten  
egg yolks, the grated rind of lemon  
and 2 tablespoonfuls lemon juice. Sift

together flour, baking powder and so-  
da, beat into first mixture and lastly  
add beaten egg whites. Bake in small  
pans. Frost top of each cake with  
boiled icing and sprinkle with chopped  
pistachio nuts. This will make fif-  
teen small cakes.

### Dr. Doney Delivers Baccalaureate Sermon

The First Methodist Episcopal church  
was crowded to capacity yesterday  
morning to hear the Baccalaureate ser-  
mon delivered by President Carl G.  
Doney to the graduating class of Wil-  
lamette University.

The faculty and seniors marched in  
robed in caps and gowns and made a  
very ceremonious spectacle. All but  
six of the class were present; there are  
31 who will receive degrees on Wednes-  
day morning when the commencement  
exercises proper are held.

Dr. Chase, director of the choir had  
special music for the occasion.  
President H. Talbot of Kimball College,  
opened the morning prayer, and then  
Dr. Doney read as the text for his ser-  
mon a part of the 17th verse of the  
21st chapter of St. John: "Feed My  
Sheep." Using this as the theme for  
his sermon he developed the character  
of Peter the disciple; delivering a most  
telling sermon.

## SEVEN FIRES BREAK OUT AT ONCE TO EN- LIVEN THE SABBATH

### Small Buildings and Church Catch Fire From Sparks From Barn

An epidemic of fires visited Salem  
yesterday afternoon about 3 o'clock  
and the general alarm jangled for  
about 15 minutes while all of the fire  
apparatus with the exception of the  
steam pumper was dragged out to bat-  
tle with the small fires which were  
started by sparks. The first alarm was  
tured in from the lodge rooms in the  
McCormick building over Myers store  
where some of the people smelled smoke  
but no fire was discovered until it had  
burned itself out. One of the members  
of the lodge dropped his pipe into his  
pocket to do his uniform and the coal  
of fire in the pipe burned a hole in  
the coat pocket as the coat hung in the  
closet. The closet door was shut and  
this smothered out the fire.

At the same time an alarm was turned  
in from 434 North High street where  
a barn on the alley in the rear of the  
house occupied by Thomas Hargrove  
caught on fire and went up in smoke.  
Sparks from the barn ignited the roof  
of the United Evangelical church one  
block west on North Cottage street be-  
tween Center and Marion and part of  
the apparatus was transferred to the  
church. The roof was burned off of the  
church and the structure badly dam-  
aged. The high west wind caused a  
woodshed near the barn to catch on fire  
and a garage at the rear of the resi-  
dence of Mrs. Hattie Jackson was dam-  
aged. The residence of Clyde Rice was  
slightly damaged when the roof caught  
fire from a spark and one or two other  
alarms were phoned in from small fires  
that caught from the burning embers.

Three lines of hose were laid to the  
barn so that the flames might be drown-  
ed quickly on account of the nearness  
of other buildings and the high school  
which is just north across the alley. On  
account of a mistake in the location of  
the fire as given to the firemen by the  
person who phoned in the alarm the ap-  
paratus did not get to the nearest plug  
first and were obliged to run back to  
the plug at the corner of Center and  
High street.

The Senators nearly had a rally in  
the ninth inning, but they can't be ex-

There are several places in Salem  
where doughnuts and coffee may be  
secured for five cents—extra doughnuts  
for bettors.

It almost caused a riot yesterday

the ninth inning.

Ade Siebert, the O. A. C. star heav-

er, will decorate a Leju suit next Sun-  
day when the St. Helens and Salem  
teams play a double header. St. Helens  
and Salem have one postponed game  
that was scheduled for a date earlier  
in the season but was cancelled on ac-  
count of rain. Cole will twirl in the  
other game.

The Baby Beavers showed that there  
are some "regular" sports in Portland  
in spite of the showing made by the  
Bradford in the last game.

old friend Joel B. Frazier yesterday be-
